Installing An Improved Hardening Machine

The Paris Ice Cream & Bottling Works is now having installed at their plant on Ruff street a modern, double-freeze, Nifong Hardening Machine, with a capacity of 200 gallons of cream. The cost of the machine, together with the expense of installing, will reach more than \$2,600. It is the only machine of its kind in this territory and will be fully installed in about two weeks.

PARISIAN'S MAPS ARE NOW ENROUTE

The Parisian is in receipt of the following telegram, which explains the delay in arrival of the maps offered with subscriptions, and they will probably be received within a few days:

"Chicago. — Your map order was shipped promptly June first by express. After putting tracer on the shipment express company advised could not locate therefore had to duplicate order which will go forward today, by Adams express. Regret delay but fault entirely with express company."
"S. BLAKE WILSDEN."

To Have and to Hold

To have a customer means to hold him at our store. We hold him by never giving him a reason to go elsewhere. We carry what our customers want, render the kind of service which they appreciate and make prices that please. If quality goods, superior service and fair prices appeal to you let us be your regular druggists. Quality is remembered long after the price is forgotten.

The Bank of North America in Philadelphia Penn. Authorized by Congress 1761

«The modest building pictured here housed the first bank with which the American government had any official connection, and from this small beginning has grown up the vast system of banking in this country.

«Of that system this bank is a part, and it is that part which best represents the banking facilities of this community. It offers to our people the same opportunities that larger institutions offer the people of larger communities.

«A savings deposit with us means a safe, money-earning investment for you. It means the beginning of a habit that will become a pleasure as you watch your account grow.

"Busy Again"

A Soliloquy in Two Paragraphs

"That's the third time this morning. I can't wait a moment longer on that fellow. Let me see—what is Smith's number?"

"If Jones won't provide sufficient telephone facilities for his customers, he can't blame me for dealing elsewhere. Operator, give me 437."

How do you know this very occurrence doesn't happen with your single telephone. Have an auxiliary line; the cost is trifling. Call the business Office today.
